OFCCP Compliance

Remain compliant with the new OFCCP regulations

Adapt helps your business meet OFCCP guidelines by eliminating time consuming tasks so that you can get back to recruiting. The tools supplied within Adapt make it very easy for staffing firms to meet new compliance regulations.

OFCCP Compliance

We make it easy to gather, search, store, and track EEO information while remaining in compliance with the new OFCCP regulations.

Ensure OFCCP compliance while saving time and lowering costs

- Easily track the applicants that have been invited to self identify
- Collect EEO data from candidates with Web Services
- Reports allow you to complete government filing requirements
 - Applicant Demographic Details
 - OFCCP Applicant Summaries
 - Calculate Total Minority Applicants
 - Submittal Summaries
